If proposer(s) wishes to make exception(s) to any of the original language, it must be submitted by the proposer in separate written or electronic language in a manner that clearly explains the exception(s). A review meeting will be called between the Company and the County when documented instances of poor performance occur. A plan for corrective action, agreeable to both parties, will be drafted and implemented. Sebastian County retains the absolute right to assess whether and when performance is subsequently acceptable.
